# Our Inspiration

Dear Students,

Being systematic, organized & professionally managed always helps in maintaining the highest standards in any field. When Resonance started its Commerce & Law Program Division in 2012, it did so with the sole aim of providing a systemized and aptly organized education to the masses. It was the time to fill in the gap in this sector by introducing a platter of services, all under one roof which included systematic curriculum, optimum course planning, rigorous periodic testing, appropriate study material etc. And with our already well-established and trusted IIT, Medical & PCCP Division, we tried our level best to replicate and maintain the same standards and the flawless teaching methodology in our Commerce and Law Program Division as well.

The success of our systematic approach is very much evident in our results. In just two years of establishment, our division has produced several successful stories as we got us a lot of achievements with 30+ All India Ranks in CA & CS, 1st Merit in Rajasthan in Class - XII CBSE, selections with high ranks in Law examinations including CLAT & Symbiosis Entrance Test (SET) & numerous selections in various stages of CA & CS examinations.

In the last few years, we all have witnessed myriad changes in the pattern & syllabus of various examinations but Resonance has always kept itself abreast with those changes and instead has developed strong strategies to encounter them. Thus, we have always been the frontrunners in adapting to the changes.

I welcome aboard all the new students joining the Resonance's Commerce and Law Program Division in Academic Session 2023-24. I wish that you all will put in that extra effort to create new benchmarks in terms of quality result in various competitive examinations. Our Academic & Management Team will leave no stone unturned in providing you the best inputs to achieve your dream. Wishing you a great year ahead with lots of achievements.

Today I am really glad that I have secured AIR - 1 in CS Foundation. I am really thankful to my parents who have supported me, because of them only I was able to achieve this. Secondly, I really want to thank Resonance and its teachers, who have motivated me because of which I was able to achieve this. Resonance's atmosphere is really good for the studies. I studied for 7 hours a day. Weekly tests conducted over here are really helpful in accelerating the performance. Whenever I have felt demotivated all the teachers were always there to encourage and motivate me. I am thankful to my parents, god, teachers and Resonance.

The faculty played a very important role in my success and full credit of my success goes to my parent and my teacher's teaching methodology. Constant doubt clearing session and online test series which was held prior to the final examination provided an overview of the questions which are frequently asked in the examination. The study material provided by Resonance proved to be a true backbone for our preparations. My message to the students was to just follow the path of success and get devoted to studying.

I am Shivani Sharma, a student of Resonance. I would like to thank Resonance for the success which I am able to achieve through their guidance. I was able to bag AIR - 7 because of Resonance, who gave me a platform and guided me towards achieving this success. The goal would not have been achievable without the guidance of my parents as well as the faculty of Resonance. The Online Test Series that started before the Final exams were very helpful.

My message to the students is that Students should believe in themselves and follow the path guided by teachers.
